

Portrait Photography of Virginia Beach specializes in wedding photography and on-location photography for family portraits, high school seniors, engagement portraits, and more. We offer state of the art digital photography including retouching for all print orders, internet proofs, secure online ordering, and much more - all customized to meet your needs. Our Memory Books and Storybook Wedding Albums are a unique and beautiful way to preserve your memories through customized collages of your portraits.

Weddings

Choose from one of our Wedding Collections or even create a unique wedding package to fit your budget. We collect a 50% deposit and will meet with you to discuss your needs and our services.

Portraits

The Portrait Collections are ideal for family portraits, engagement portraits, senior portraits, maternity portraits, and children portraits. No session fees or deposits are required.
